

Welcome

Computer Medics are Experts at Recovering Data from
Hard Drives, Flash Drives, Camera Memory, Old Floppies, CDROM's, and more!

Welcome to Computer Medics!

Has your home or business been suffering from a slow or sickly computer?
Do you feel frustrated with it from the moment you turn it on? Has it
been flashing mysterious error messages or refusing to perform the functions
you ask of it? Maybe it's time for a visit from the Computer Medics!

Computer Medics has been serving Alaskans since 1999 and is the original
on-site computer repair business. Ask your friends and colleagues, chances
are they've used us or know someone who has.

Computer Medics is a computer consulting and repair business that will
come to you in your home or business any time you need help with your
computer. You will receive high quality service at a reasonable price.
We are dedicated to bringing you excellent service, computer repair, and
computer maintenance at affordable prices. Our technicians specialize
in dealing with all your computer needs.

Computer Medics is on call 24 hours a day 7 days a week for your emergency
service needs.
